Simple Search

Users can perform a Smart Search by doing the following:

- 1. Enter the search information
 - Enter the keywords (eg: Public health nurses provide preventative programs)
 - Select an index (keyword, title or author)
 - Select categories or individual resources to search eg: Scholarly (Peer Reviewed)
- 2. Click Search

3. The system returns search results in the following format

Refine Results	Search Results: 1 - 10 of 12,272	
Current Search		
Find all my search terms:	1. Public health nurses provide preventative programs, promote he berreth, Kim; Alberta RN, Winter2013; 68(4): 20-22. 3p. (Journal Article - pictorial) ISSN
