

Attestation of Documents

All applicants for admission are required to obtain equivalency of their educational degree from the UAE Ministry of Education. The attestation process depends upon whether you completed your secondary schooling or undergraduate degree within the UAE or outside the UAE.

Applicants who completed secondary schooling or a Bachelor degree outside the UAE

Must have their educational degree and transcripts/mark sheets certified by:

1. The issuing educational institute and/or recognized authority for tertiary education in the host country in which you completed your education
2. The Ministry of Foreign Affairs in the host country
3. The UAE Embassy in that host country
4. The Ministry of Education in the UAE

Additionally, the UAE Ministry of Education must issue an Equivalency Certificate.

Equivalency requirements for high school degree attestation can be found on Ministry of Education [website](#).

Equivalency requirements for Bachelor degree attestation can be found on Ministry of Education [website](#).
