# QUICK GUIDE

Link to library resources from PubMed

1 Go to the Library's website
**mbru.ac.ae/library**

2 Click on "Databases" select "PubMed" from the dropdown menu

3 Search for the article

4 Click on "MBRU Full-Text" button which will verify the availabilty of the article in the library collection.

If full-text is available, you will be re-directed to the article page.

5 If full text is not available, you may submit article request form by clicking on "Request Item through Interlibrary Loan" button.
