Attendance and Student Workload:

- Students will attend short, intensive on-campus learning blocks scheduled at key points in each course.

- These immersive campus days will be complemented by purposeful online synchronous sessions, typically 2 hours in the late afternoon or evening to accommodate working professionals.

- Each course will provide a clear academic calendar outlining campus block dates, online session timings, and assessment deadlines well in advance.

- Learners can expect to engage in independent study and assessment preparation aligned with the learning outcomes of each course; typical workload expectations will be communicated in the module course.
